## Check Out CariFree's New Website!

- Now patients can educate themselves on dental caries and how to manage their disease
- Patients now have access to reorder their CariFree products online and receive a 5% discount when your practice code is referenced
- Your practice will benefit from a portion of the proceeds when patients reference your dentist code when ordering

**Call for your dentist code today!**

## CARIFREE SAMPLE PROGRAM

Call us and we'll send you 100 FREE Xyli-Tots Lollie samples, each custom labeled with your dentist code. These samples are a great way to introduce CariFree products to your patients and are a great reward for your littlest patients. Each sample comes with a card that directs patients to the CariFree website for further cavity prevention education and also gives them a 5% discount on their online order when they reference your dentist code. Samples of other CariFree products are also available. For more information, call 866.928.4445.

*CariFree partners with the Productive Dentist Academy to bring you the program that's sweeping the country!*
