CariFree System.**

The CariFree®
easy-to-use
treatment program

STARTER KIT

Get started today following
these simple instructions:

CariFree Maintenance Rinse

Swish with 10 mL for 1 minute, twice daily after brushing and flossing. Avoid rinsing, eating or drinking for 30 minutes after use.

** Kits contain either Citrus or Mint Maintenance Rinse.*

CariFree Oral Neutralizer Gel

Use in place of toothpaste at least 2 times daily.

CariFree Xylitol Gum

Chew 3-5 pieces daily to fight tooth decay.
